

POWYS HEALTH BOARD PAYROLL DEDUCTION SCHEME

GOOD NEWS FOR ALL EMPLOYEES OF POWYS HEALTH BOARD

In an exciting new partnership between the Health Board and Powys Credit Unions you can now pay into a credit union account direct from your pay. This service is available to full and part-time staff whether you live in Powys or just over the border.

Credit unions provide community-owned banking services. They have the interest of their members at heart and are not-for-profit businesses. You can save any amount you like no matter how small a sum - the pennies soon grow and they are safe. Also you can take advantage of our unique loan package and have a low-cost, competitive loan of any sum from £100 to £5000.

The banks have proved that their policies aren't working - why not support your local credit union and benefit yourselves, your families and your community.

HOW TO JOIN:

There are four credit unions operating in Powys. These (listed North to South) are:
